✓ Covid-19 Cancellation Cover

You can request travel or rental cancellation costs cover when needing to cancel travel booked upon testing positive to COVID-19, ascertained by positive tests for

- you and/or your live-in family members directly;
- your travel companion directly.

You can request this cover even if, before the first embarking, you test positive at the MSC CRUISES S.A. triage and you are therefore prevented access to the cruise ship. Europ Assistance will indemnify the penalty, applied contractually by the Tour Operator:

- to you

- to your family members;
- to one of your travel companions.

If several Insured Parties are registered to travel together at the same time, in the absence of any other persons of the same nuclear family, you shall specify only one person as "travel companion".

Even if bookings are made separately, they will still be considered as part of the same file if the penalty document states "Travels with".

In addition, you may cancel your trip if you, a member of your household, a cohabiting family member or a travel companion test positive for Covid -19 in a procedure performed by a health facility, and you cannot travel because the health facility has scheduled you, your family member or travel companion for additional diagnostics tests (swab).

Europ Assistance reimburses the full penalty charged up to the limit to liability envisaged in the contract with the Travel Organisation, which shall never exceed Euro 3,000.00 per Insured Party and Euro 10,000.00 per travel file.
